

Unlock Your Potential

with the New Zealand Diploma in:

COMPETITIVE SYSTEMS AND PRACTICES LEVEL 5

Are you ready to elevate your career and improve operational excellence in the workplace?

The New Zealand Diploma in Competitive Systems and Practices Level 5 is tailored for individuals at all levels within any business, from frontline staff to senior management.

This programme empowers you to excel by fostering effective collaboration, communication, and problem-solving skills, essential for success in today's dynamic business environment. Whether aspiring to lead a team or enhance team dynamics, gain valuable insights and strategies to thrive in your role.

What's in it for you?

- **Optimise Your Role:** Learn how to make work more enjoyable and less stressful
- **Receive Expert Mentorship:** Benefit from guidance and support from skilled mentors.
- **Enhance Your Value:** Increase your value to the business as an employee.
- **Fees-Free Opportunity:** The course could have the potential to be fully funded through the [fees-free programme](#), valued at \$11,999 per person.

How Does It Benefit Your Business?

- **Increase Productivity & Engagement:** Apply newfound skills to boost business productivity and enhance staff involvement
- **Achieve Operational Excellence:** Implement effective strategies to streamline workflows and enhance operational efficiency.
- **Drive Business Success:** Equip yourself with tools to contribute to the success of your organisation.

What's Involved?

- **Comprehensive Curriculum:** Participate in 9 modules throughout the programme, supported by dedicated pastoral care.
- **Practical Learning:** Engage in hands-on sessions solving real business challenges.
- **Expert Guidance:** Learn from experienced facilitators and mentors to apply new skills directly to your job.
